2009 Camp List

Summer camps provide children with the chance to develop character, learn valuable life skills, make new friends and discover new interests. Summer is a time for fun and experiencing new adventures.

The camps listed are just a sample of what is offered for children with disabilities. Also, check with your local recreation department for activities such as challenge baseball, softball leagues, swimming activities or lessons, and art camps run by the city.

Camp Dream Street
A summer camp which provides residential camping experience for physically challenged children. Typical diagnoses are cerebral palsy, spina bifida, spinal cord injury, and amputation.

How Satisfied Were You?

Children’s Rehabilitation Services (CRS) is committed to providing quality care to the persons we serve. One way of measuring quality of care is to conduct regular patient and parent satisfaction surveys. Before discharge, each patient and parent at CRS is given a Satisfaction Survey.

This is how you felt in 2008:

**Patient Survey Results**
- We had a 100% overall satisfaction response of Yes when asked, “Did your stay on rehab service help you get better?”
- We had a 100% overall satisfaction response of Yes when asked, “Were the rehab staff helpful during your stay (therapists, nurses, MD, etc.)?”
- We had 75% Excellent and 25% Good overall satisfaction response when asked, How would you rate your overall care and treatment on the Children's Rehab Services?

**Parent Survey Results**
- We had a 100% overall parent satisfaction with staff responding to their child’s needs.
- We had a 98% overall parent satisfaction with the care coordinator explaining overall treatment plans and goals.
- We had 88% Excellent and 12% Good overall parent satisfaction with rating how well CRS staff prepared their child to return home.
- We had 93% Excellent and 7% Good overall parent satisfaction on the care their child received at Children's Rehab Services.
